

ORGANIZE THE THINGS YOU TAKE WITH YOU

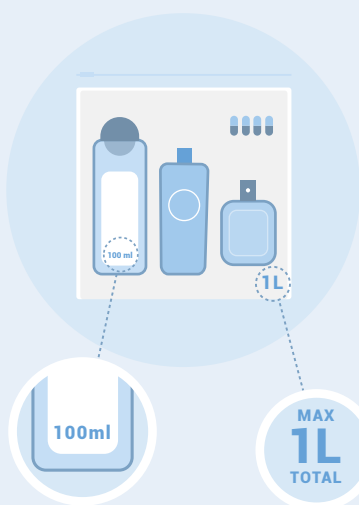

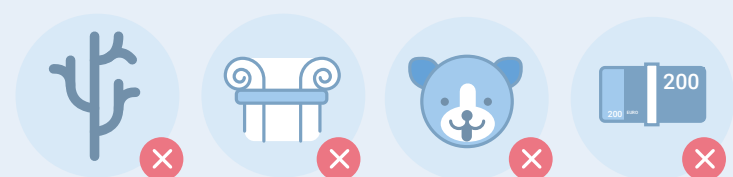

Avoid surcharges or having to rearrange your baggage! **Check** the **weight and size** of both checked-in and hand baggage meet the rules of your airline.

Make sure your baggage has no **items that are forbidden** by security or the airline you are flying on

Also follow the restrictive rules on works of **art, plants, animals and money amounts**

For liquids and medicines you want to take on board, put them in a transparent and sealed bag **IN ADVANCE**. The bag can have a **maximum volume of 1l** and each container **must not be bigger than 100 ml**. Otherwise you must either put them in the checked baggage, or you will lose them

Remember to have **all the necessary travel documents** with you: boarding pass, ID card (or Passport if you are travelling to a country outside the Schengen area), and all visas or medical certificates required.
